

Follow the steps below to create an Audiri account

- From your phone, navigate to the Apple App store (iPhone users) or Google Play store (Android users) and search for Audiri and download the free app.
- Once the download is complete, open the Audiri app, enter your email, and click on Continue.
- Click on sign up and Continue with sign up.

- You will receive an email with a code. Enter the code on the app.
- If you do not receive the email within 15 minutes, please check your spam/junk folders. If it is not in your spam or junk folder, please visit this page for tips on how to troubleshoot the error you are experiencing.

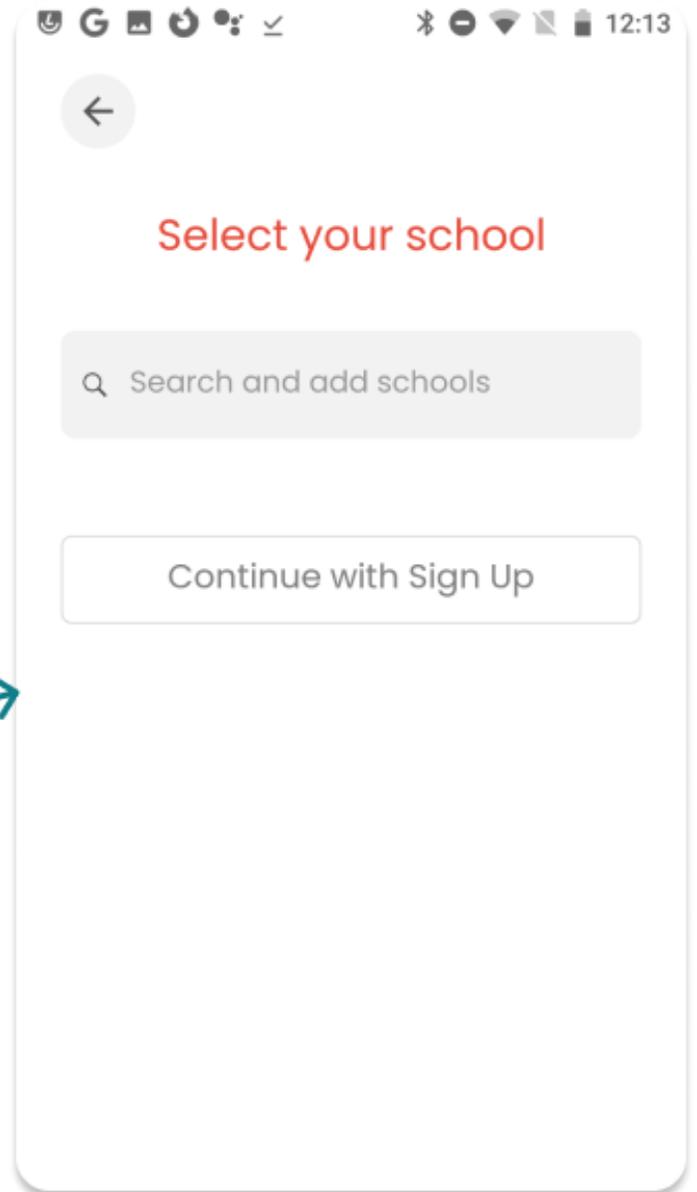

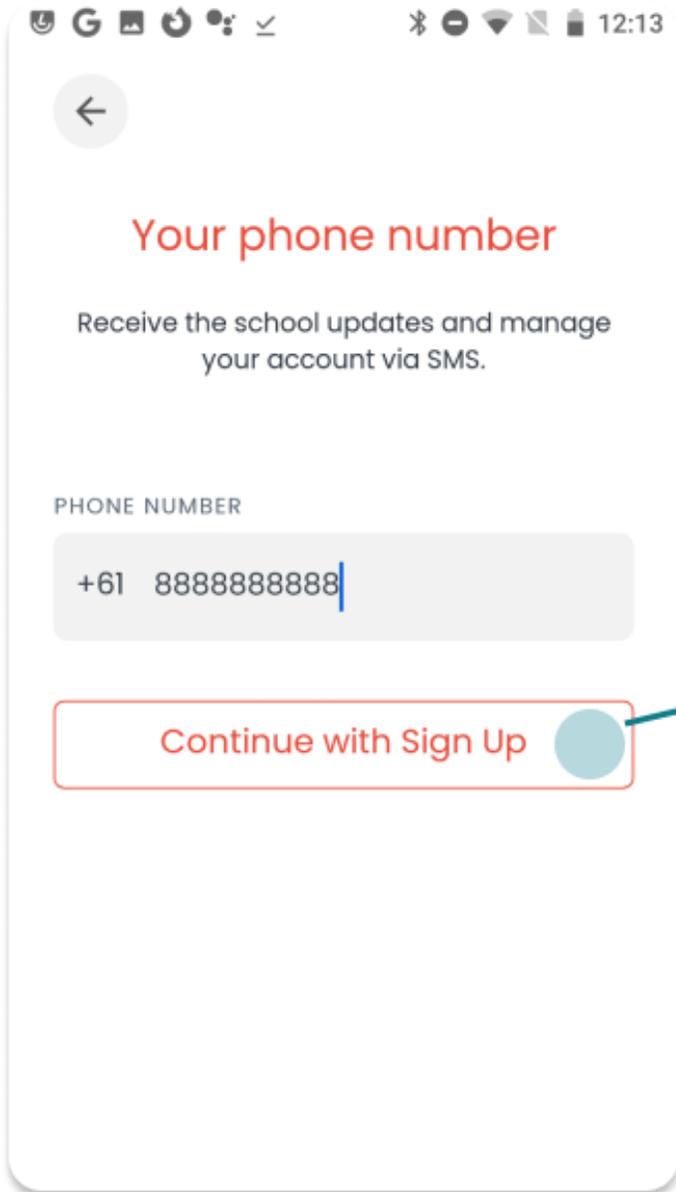

- Enter your first name and last name and select what best describes you and click on Continue.

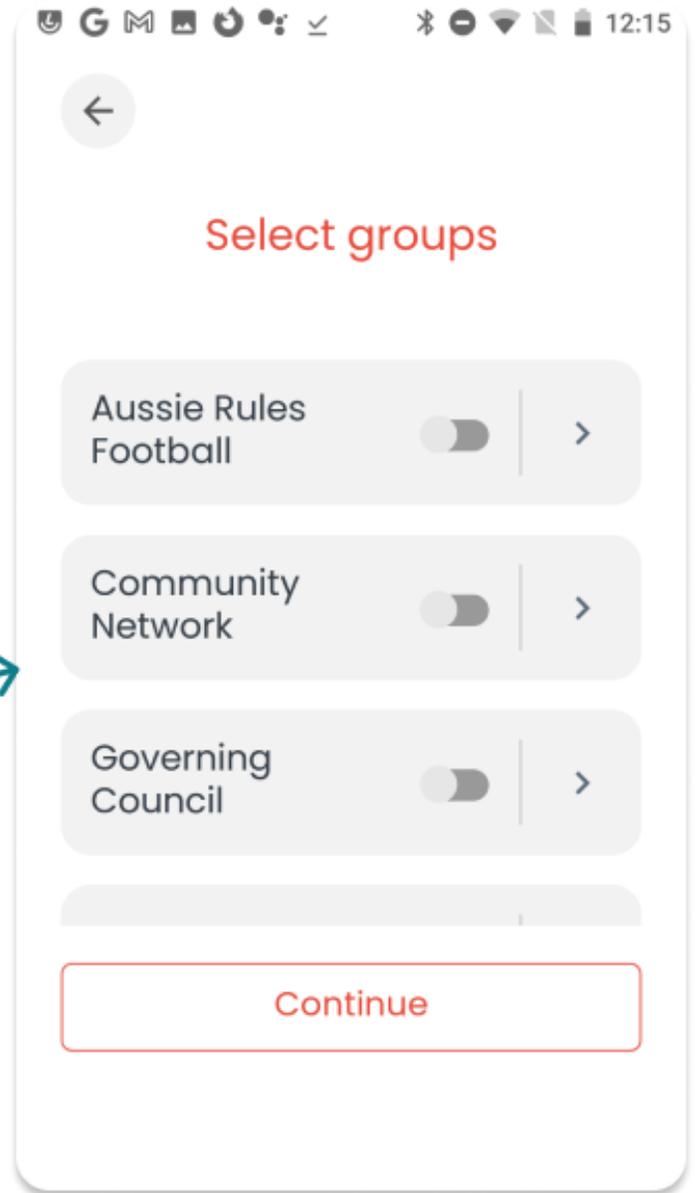

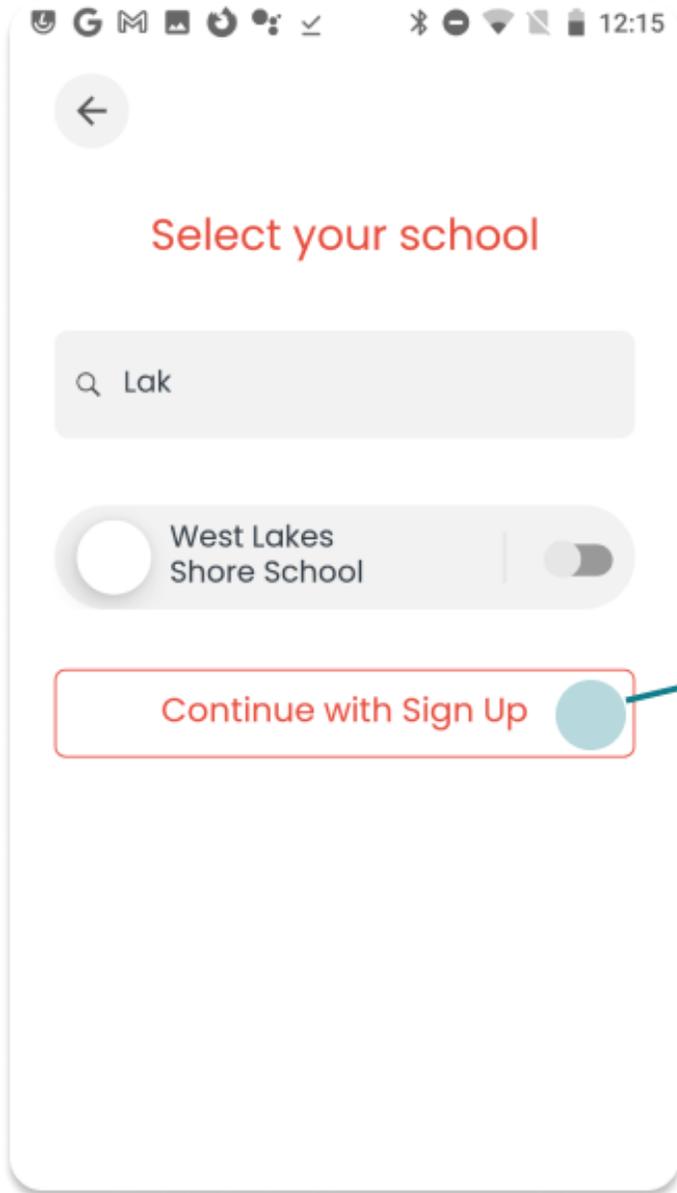

Mobile app registration form titled "Tell us about yourself". The form includes three input fields: "FIRST NAME" with the placeholder "Enter your first name", "LAST NAME" with the placeholder "Enter your last name", and "ROLE" with a dropdown menu currently showing "Parent/Guardian". A "Continue with Sign Up" button is located at the bottom.
