

Screen use, physical activity and healthy development

A free webinar to help parents and carers better understand children's screen use, physical activity and overall healthy development.

- ✓ Practical examples to support children in an increasingly digital world
- ✓ The latest evidence in screen use on children's physical activity and health
- ✓ International guidance related to children's screen use.

Date:
Tuesday 9th June
7:30 - 8:15pm

Location:
Online
via MS Teams
