Your
OSHC.

A message from your Service Leader

As we head towards the end of another fantastic term, we'd like to share some exciting updates from our OSHC service.

We are delighted to welcome several new staff members to our team. The children have enjoyed getting to know them, and they have quickly become valued members of our OSHC community. Families are encouraged to stop by the hall and view our "Meet the Staff" profiles to learn a little more about the wonderful educators supporting your children each day.

This term, our cooking experiences have been a huge success! Children have been actively involved in planning, preparing and creating a variety of delicious recipes while developing important life skills, teamwork and confidence in the kitchen.

Looking ahead, we're getting very excited about our upcoming Vacation Care program! We have an amazing range of activities planned, including exciting excursions to the movies and Inflatable World, along with many engaging experiences here at the service. We can't wait to share these adventures with the children and create more wonderful memories during the school holidays.

As we begin planning for Term 3, one of our goals is to establish a community garden that can be enjoyed and shared by our children, families and school community. We look forward to sharing more information about this exciting project and how everyone can get involved.

Thank you to all our families for your ongoing support. We look forward to finishing the term strongly and welcoming everyone to our exciting Vacation Care program.

Activities coming up

- Community Garden
- Cinema Adventures
- Inflatable World
- Game Changers with Brisbane Roar
- Big Art
