### TIPS AND SUGGESTIONS ☺

- ❖ Make sure you Register - Open Days usually have an expectation you will register your interest/attendance
- ❖ Look through the Open Day schedule and PLAN AHEAD so you know exactly when your sessions are on.
- ❖ If you want to live 'On Res' see if you can do a tour at the Open Day - ask about the application process, cost etc
- ❖ If you are looking into a course in the creative industries or performing arts ask about the Audition process and/or folios required.
- ❖ Write notes while at Open Day sessions ... you won't remember everything you are told. Take contact details of any staff you find helpful, they may be very a handy contact later on.
