

IN ROOM 12

In Room 12 this term, we have been learning heaps! in English, we have learnt about information reports, in Mathematics we explored place value and patterns. Finally we explored continents, countries and indigenous cultures in HaSS and the Earth and Sun in Science. We really want to share what we've learned in Mathematics and HaSS with you!

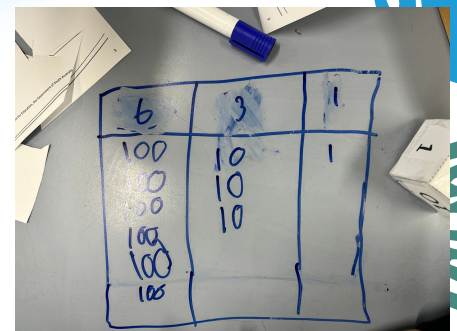

MATHEMATICS

WE LEARNT THAT THE BEST WAY TO COUNT COLLECTIONS, IS TO MAKE GROUPS OF 10.

IN THIS ACTIVITY, WE WERE GIVEN RANDOM NUMBERS AND ASKED TO FIND THEIR NUMBER NEIGHBOURS.

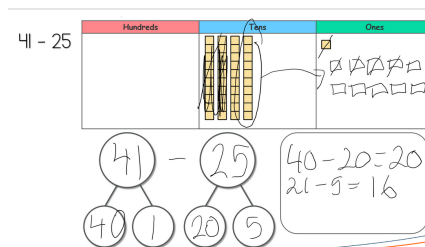

IN THIS GAME, WE ROLLED A DICE THAT HAD 1, 10 OR 100 ON THE SIDES. THE AIM WAS TO BE THE FIRST ONE TO REACH 999.

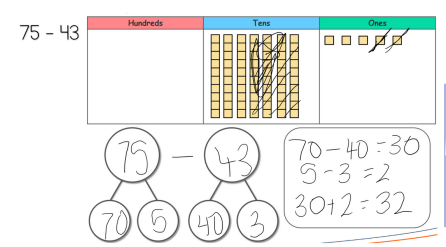

$$8931 - 2620 =$$

$$\begin{array}{r} 8931 \\ - 2620 \\ \hline 6311 \end{array}$$

WE HAVE LEARNT TO SOLVE SOME SUBTRACTION SUMS THROUGH COLUMN SUBTRACTION.

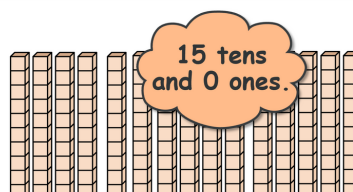

WE HAVE LEARNT HOW TO PARTITION (SPLIT) NUMBERS TO SOLVE SUBTRACTION SUMS WHERE WE NEED TO REGROUP.

Partitioning

Renaming in tens and ones

Rename this numeral with tens and ones.

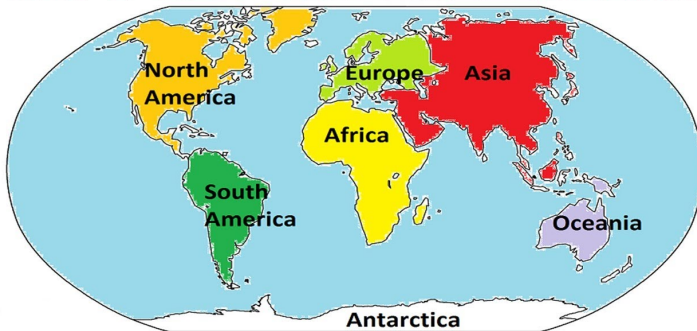

WE HAVE LEARNT TO RENAME NUMBERS. FOR EXAMPLE IN 150 THERE ARE 150 ONES, 15 TENS OR 1 HUNDRED AND 5 TENS.

D IN ROOM 12

HUMANITIES AND SOCIAL SCIENCES

Seven Continents

There are seven continents in the world. These include North America, South America, Europe, Asia, Africa and Oceania.

DID YOU KNOW?

Antarctica is the largest desert in the world! This is because it has a low amount of rainfall making it a very dry place.

DID YOU KNOW?

Australia is the largest island in the world, and the sixth largest country but part of the smallest continent, Oceania.

DID YOU KNOW?

Asia has the largest population out of all the continents.

NGADJURI LAND

DID YOU KNOW?

In Ngadjuri Language, the meaning of Kapunda is 'water jumps out'. This refers to the local rivers and streams.

DID YOU KNOW?

There are approximately 250 different indigenous countries across Australia!

DID YOU KNOW?

The Kaurna people have four seasons that are similar to ours.

- Warltati (Summer) is when the sun is high
- Parnatti (Autumn) you can see a star near the moon.
- Kudlila (Winter) is when the water washes the Earth.
- Wirltuti (Spring) is when you can see the southern cross.
