

Dear Parents/Caregivers,

As part of our association with the Queanbeyan PSSA, a number of sporting teams are chosen to represent the district throughout the year. Many of these teams are chosen through a trial process mostly held in Term 1 at various grounds and by various teachers in the Queanbeyan district.

These are open to all year 5 and 6 children in 2024 **who are a part of a team outside of schools in particular sports**. These include basketball, cricket, hockey, tennis, rugby union, rugby league, touch football, netball, softball and a few other sports. Below are the intended dates for the trials next year.

If your child is interested in trying out for any sporting teams, could you please complete the form below and when the trials are held, the information will be sent home.

Yours Sincerely,  
Kim Eggleton
