

## Join Us for the School Working Bee!

Dear School Community,

We are excited to announce that our Parents and Citizens' Association (P&C) will be hosting a **Working Bee** on **Sunday, November 3<sup>rd</sup>, from 9:00 AM to 4:00 PM** to help improve our school grounds!

This is a wonderful opportunity for parents, students (if supervised by a parent), and staff to come together, roll up our sleeves, and make a positive impact on the school environment. **supplies will be provided by the P&C**, and no experience is necessary—just a willingness to lend a hand!

### Planned tasks for the day include:

- Painting the timber picnic tables and long benches in the primary COLA
- Installing a sandpit cover for the K2 sandpit (2m x 2m)
- Adding soil to the garden beds near Shine
- Gurneying various areas and some playground equipment
- General Garden Tidy-up (pruning shrubs, removing rubbish, raking out debris)

**Whilst most supplies will be provided by the P&C, we kindly ask volunteers to bring their own gardening gloves and other useful equipment to assist with tasks.**

Even if you can only spare an hour or two, we'd love to see you there. It's a great chance to connect with other families, contribute to the school, and have some fun along the way!

If you're able to join us, morning tea and refreshments will be provided, so come along and enjoy a day of community spirit.

To help us plan for the day, please RSVP by completing this [Volunteer Registration Form](#). Once registered we will send you the required school volunteer forms and more details about the day.

Thank you for your continued support. **We look forward to seeing you there!**

Best regards - P&C Executive Team
