

St John the Baptist Ferntree Gully

Levies for the 2025 School Year

Please find below details of Levies for 2025. Levies must be paid no later than Friday November 29th 2024.

The school has EFTPOS facilities available, as well as accepting cash. If you wish to deposit directly into our account, please see account details below.

Government grants cover only a small part of the total cost of required materials per student, so it is necessary to charge levies. The composite levy will cover the cost of stationery, class sets of books, reading materials and resources for all areas of the curriculum. Administrative costs, including accountancy fees and general office expenditure, are also met within this fee.

This year, students in Years 3-6 will not receive a booklist, they will be purchased in bulk by the school and distributed to the students throughout the year.
