

Stage 2-3 Term 4 Overview

Welcome to the final term of the school year! This term is a special one, especially for our Year 6 students, as they prepare to graduate and celebrate the end of their primary school journey.

Students will consolidate key skills across all subjects, engage in collaborative projects, and participate in end-of-year activities. For Year 6, highlights include the year 6 fair, presentation day and graduation ceremony and the Farewell.

We look forward to finishing the year on a positive note and appreciate your continued support.
