## Grievance and dispute resolution procedure

Parents who have a grievance or any concerns are encouraged to bring the matter to the attention of the netball committee for discussion and resolution. This can be done in person or via email to any coach/committee member or the club coordinator. Issues that cannot be resolved via the committee can be directed to the P&C executive committee.

## Coaches and Managers

- Will adhere to the Official Rules of Netball and the Competition Rules and Policies of the Perth Netball Association as outlined in their competition handbook and to relay these to their players and parents/carers.
- Will provide to the players, weekly training, guidance and game resources as necessary.

- Will communicate all relevant information to players and parents/carers.
- Will be a model of good sports behaviour.
- Will agree to accept all players assigned to the team.

## Team selection

Teams are selected with the best interest of the entire Club in mind, not just individual teams or players; and will be undertaken in accordance with the following points.

- Subject to numbers in each age group, teams will have 8 to 10 players. A team is not full until it reaches 10 players, late registrants will be accepted if there is room in a team.
- Players will play in their age group unless they demonstrate exceptional ability & skills.
- Players will be placed into teams considering an even spread ability and skill level.
- In an effort to be as inclusive as possible requests to be in a team with one or two friends will be considered. Consideration will also be dependent on even spread of ability and team balance.
- New players coming into the Club will be placed into a team according to skill level friendship and availability.
- This is a collaborative process between the coaches and the coordinator.
- Please note that the coordinator is privy to confidential and sensitive information during the team selection process.

## Grading

As stated by the PNA and NetSetGo for teams in Year 2 to 6, individual player grading is at the discretion of each club. It is our Club's decision that individual grading will not be conducted, as an even spread of ability within each team is preferred. The Club Coordinator registers each team with a PNA starting division. The PNA competition committee then considers and allocates into divisions. In 2025, for Junior Year 6, the first 3 rounds of the season are PNA "Grading rounds".

## Court time

Coaches need to ensure that each player receives equal time on and off the court throughout the season regardless of ability. It advised a record is kept to do so.

Players arriving later than 10 minutes prior to their game run the risk of missing the first quarter of the game where the coach has had to arrange for a substitute, and coaches are responsible for communicating this and the importance of 'warming up' before a game with their parents.

Players (parents/carers) must inform a coach of an absence at a game or training as this means the team could be subject to a game forfeit, which incurs a fine for The Club. Coaches must communicate this with their parents/carers.

## Uniform

The Churchlands Netball Club uniform consists of the Churchlands Netball Club shirt and a navy blue skort/shorts/leggings. The uniform is compulsory and must be worn at each game. Teams can be fined by the PNA if the approved uniform isn't worn. The Churchlands Netball shirt will be provided to each player. It should be noted that the uniform shirt is **ON LOAN** for the season and must be returned in an acceptable condition at the end of the season.

From 2025 the club will be offering an optional netball dress that can be purchased as the players own for \$75. There are sample sizes available to try on at the uniform shop on Tuesday from 8:35am until 9:00am prior to purchase. **Please note that no payments will be taken at the uniform shop for netball dresses, all payments for netball dresses are to be made through Qkr!**

All orders for netball dresses are required to be received by 05/02/25 to be forwarded to Wanneroo Uniforms for manufacture. No refunds or exchanges will be provided as the netball dresses are a made to order item.
