

Getting On Track In Time! - Got It!
for children in the current
Kinder, Year 1 and Year 2 Classes 2025

Follow-Up on the return of the Got It! blue questionnaire form

Warners Bay Public School has the opportunity to participate in an exciting and innovative initiative for children in the current Kinder, Year 1 and Year 2 classes to enhance their social and emotional skills. ***Getting On Track In Time! - Got It!*** is an early intervention program run by local health professionals from the Local Hunter New England Health District in collaboration with Department of Education.

Got It! aims to teach children emotional resilience and further the development of their social skills to help them better manage their behaviours at school and at home, assisting them to learn to their full potential and maximise their life opportunities. The program will be fun and supportive for students and will also be practical for parents and teachers.

Parents of children in the current Kindergarten, Year 1 and Year 2 classes will be asked to complete a short **blue** questionnaire to assist in identifying which part of the program will best benefit their child. These are due back by **Tuesday the 25th of February**.

There will be an opportunity for Mum, Dads and Carers to meet the ***Got It!*** Health Team and ask any questions on **Tuesday the 25th of February at the parent BBQ**.
