## Class Supplies K-6 2024

Our orders have been placed for general materials for classroom use for 2024. Much of the cost of these items are covered by the School Resource Fee. Below are items that we require you to purchase for your child's own use at school. A number of these items would make ideal Christmas gifts. It is most important that each item has your child's name on it so he/she can identify and care for his/her property. Parents are asked to replenish stationery items throughout the year as the need arises.
